 5:30pm - Building B
- March 30 - April 3**
 Spring Break
**Return to school 4/6*

Educating for Eternity

Awake Week

January 7 - 9 was Awake Week for the spring semester. Junior High and High School students enjoyed an adjusted schedule to allow for a time of spiritual and social emphasis. Extended chapel services were held all three days with a special emphasis on Jesus being "The Way, the Truth, and the Life."

Students were divided up into teams and competed for points by showing team spirit, providing a

wonderful opportunity for social growth too.

Most importantly, students were inspired to listen to God speaking to them through His Word. It was a tremendous blessing to see students engaging in worship and listening and responding to the Lord. These are moments that make us truly thankful to be part of a Christian school where spiritual opportunities are a normal part of the student experience.

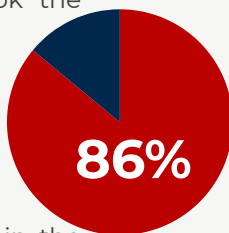

Sophomore Gets Published

Congratulations to Aaron Wise (10th grade) for winning first place in the ACFW Ohio Anthology Student Writing Contest. Not only was Aaron's work chosen as the best in the state, but his submission will be published in the ACFW's annual collection of student work.

Seniors Leading the Way

In early January, the senior class took the Iowa Assessments Government test in fulfillment of Ohio requirements for seniors. We are thrilled to announce that the entire senior class scored "Post-high school" proficiency with an average National Percentile Ranking of 86.4% meaning our seniors ranked in the upper 14% of the entire nation!

BGSU MS Honor Band selections

- Avonlea Danforth
- Naathan Darr
- Jayce Lukachek
- Kaylee Moenter
- Paige Owen
- Emily Welling

8th Grade

- Jadya Marx
- Miriam Simmons
- Mia Stamper-Campos
- Wyatt Stanton

Congrats, students!

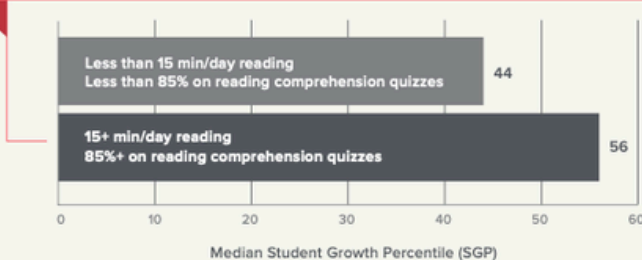

The Power of Reading

15 minutes of reading practice per day can accelerate reading gains higher than the national average. Renaissance Learning, the creators of the STAR Assessments, show just how impactful 15 minutes of reading per day can be.

Grades K-12: Cumulative Word Exposure Is Far Higher for Kids Reading 15+ Minutes

Grades K-12: Kids Grow More with Increased Reading Time and Understanding

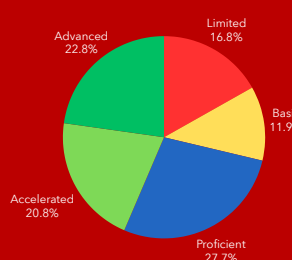

Students who read for just 15+ minutes/day are exposed to four times as many words - over 4.8 million more words - by high school graduation.

STAR testing

Take a look at the strong results from the last STAR test at the end of the fall semester. The spring session of STAR testing is happening now.

Math

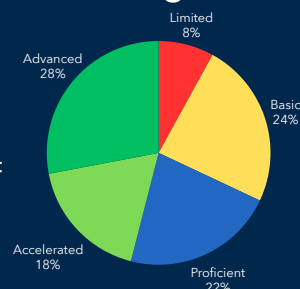

72%

of MCA students who took the Star Math assessment scored "Proficient" or higher

Reading

68%
of MCA students who took the Star Reading assessment scored "Proficient" or higher
